DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE

Once a country store, this frame building has asphalt shingles covering clapboard. L Shaped, 2 stories, The corner of the L is southeast, the two entrances to the house are on the north walls, each under a one story porch. The pitched rooflines are broken by two chimneys each flush with the west walls. Windows have 6 lights on 6.

The wing running north along the east wall appears to be of a somewhat later style, hence it seems safe to assume that the store was added to an older house near the corner.

## STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

A country store ~~was~~ failed as roads and cars improve in the 1930's, was revived again during World War II <sup>when travel was curtailed,</sup> and stores were chosen for local convenience, to fail again in the mid-40's when larger choice and lower prices again became accessible in the large stores in town.

Now a large house, too close to the road, the owners do not find it worthwhile to rebuild it a smaller size.
